### HAVE A LOT OF PHOTOGRAPHY NEEDS?

A photo punch card is a set of hours that you purchase in advance. Purchasing the hours in bulk reduces your overall costs compared to paying for each session hour as needed. This also creates a more seamless transaction between us because you won't have to inquire about current rates or pay an invoice each time we work together.

Photo Punch Card hours are good for 1 year from time of purchase. The hours are applied to shooting time only, not editing. Unclaimed hours after 1 year cannot be refunded. Rate includes tax.

**6 HOUR PUNCH CARD ..... \$1600**

**12 HOUR PUNCH CARD ..... \$2700**
